WEBSITE

Hamilton's website is www.hamiltonlakes.org. Please refer to it throughout the year for updates of club activities. For the schedule of activities and goings on at the club, visit the various links on the website. Right now there is a skeleton outline of upcoming events. However, by May 31 the entire schedule should be posted. Be sure to check it often for all club updates.

E-MAIL

Hamilton's e-mail address is hamiltonlakes@bellsouth.net. All correspondence is done by e-mail with the exception of the dues statements in January. It is important that your e-mail address is kept up to date with the office so that you will not miss any important announcements.

REDBOOKS

This year, in an effort to conserve, the Redbooks (contains membership roster, rules and regulations and by-laws) will be e-mailed to the membership. You may look for it in early June.

Membership Tags

Tags **will not** be mailed to you but may be picked up at the pool when the season begins. It is essential that your tag be with you while you are on the campus. This is for the member's protection, so please make every effort to abide by this important regulation. Just a reminder, a member caught letting a non-member use a tag is subject to a two-week suspension. The cost to replace a lost tag is \$5.00.

GUEST POLICIES

Members have requested that a limit be put on the number of times a person may use the facility as a guest. They feel that their recreation time at the club is an important part of their lives and they have paid for club privileges and should reap the benefits. Guests are welcome at Hamilton. However some have taken advantage of the guest policy and are using the facility more than some of the members who pay yearly dues. Therefore the Board of Directors decided that in-town guests may not use the facility more than four times each month. This applies at both the pool and tennis courts. All guests must register at the appropriate clubhouse. Tennis guest passes are \$5.00 if the guest is a member of another Guilford County swim and racquet club and \$10 if not. Pool guest passes may be purchased for \$5.00 per pass or a book of five passes for \$20. Non- Guilford County residents who are houseguests of a Hamilton member may enjoy the entire club at no cost. **Only an adult member may purchase guest passes and register out of town guests.** This is to insure that the parent is aware of whom their child is bringing to the club. Your cooperation is appreciated.

HAMILTON NEEDS MORE MEMBERS

As you know, Hamilton is a great place to spend your leisure time, and considering all it has to offer, it is the best deal in town. Tell your friends, business associates, fellow church members, etc. about the club and then invite them for a visit. Just call a manager and make arrangements for them to enjoy a day here (no charge) and let them experience what they are missing. Remember, for every family who joins the club and is sponsored by you, \$100 will be deducted from your next year's dues. .

SWIM TEAM

Swim team has begun, but it is certainly not too late to join. Go to the website and learn all the details. The coaches are Catherine Cecchini, Micah O'Hare, Rogers Cecchini, Jonathan Rogers and Meghan Darst.

TENNIS

Refer to the website for tennis information.

HAMILTON CAFÉ

Tommy and Gary are back this year, so expect some good eating at Hamilton! Credit and debit cards are honored and gift cards may be purchased allowing you freedom from carrying cash. Moms, look forward to Friday evenings. Tommy and Gary have a dinner special every Friday so that you may enjoy a night away from the kitchen. The Café is a full service grill inspected by the Health Department. Plan to take advantage of its many offerings.
